

Registration „Blue Economy Accredited Manager Training”

The Blue Economy is a collection of innovations contributing towards the creation of a global consciousness rooted in the search for practical solutions based on sustainable natural systems. In this course, participants learn how to evolve from a model of sustainability that requests you to invest more, save some and then earn back, to a model where you can invest less of your purchasing power to achieve multiple benefits while building social capital.

Dates

The training consists of two attendance phases: January 23 to 25, 2011 and May 8 to 10, 2011 (the dates in May are still preliminary and to be confirmed by November 30). In between, participants are expected to implement a 'Blue Economy' project, with support and guidance from the trainers.

Participation Fees

Participation in the entire course is **EUR 5,000** per person. Registrations received and fully paid by Nov. 30 are eligible for a 20% early-bird discount. The fee includes a light lunch during the attendance phases.

Participants must self-responsibly organise their travel and accommodation. Hotel recommendations will be distributed to registrants upon request.

Cancellation Policy

Payments must be received two weeks prior to the commencement of the training course. Cancellations up to four weeks in advance of January 23 will involve a 5% processing fee; up to two weeks in advance, cancellations will cause 50% of the fee to become due. Cancellations after January 9 cannot be refunded.

Participation cannot be guaranteed until the entire fee has been received; due to the limited number of slots, we highly recommend paying immediately upon registration.

Registrant's data*

Title (Dr./Mr./Ms. etc.): _____
Last Name: _____
First Name: _____
Charge: _____
Company/Organization: _____
Address: _____

ZIP code, City: _____
Country: _____
Phone: _____
